

Typical Input List

Confirm final production needs for your room before show day

This is a typical advance list for venues using house production. Rock Steady can also provide PA for many rooms; confirm the plan during booking.

CH	SOURCE	MIC / DI	POSITION / NOTE
1	Lead vocal	Vocal mic	Center front
2	Guitar amp	Mic	Stage right
3	Bass	DI or mic	Stage left
4	Kick	Kick mic	Drum kit
5	Snare	Snare mic	Drum kit
6	Overhead L	Condenser	Drum kit
7	Overhead R	Condenser	Drum kit
8	Backing vocal	Vocal mic	As needed
9-10	House music / playback	Stereo input	Optional

Advance notes

- Please confirm available power, load-in path, stage dimensions, and whether the venue or band provides PA.
- Exact channel count can change by room and show format. Email for final details.
